Habitat for Humanity of Huron Valley is working to create affordable homeownership and a sustainable community for Washtenaw County. For more than 30 years, Habitat's work has been a catalyst for stabilizing homes, families and communities. Our investments strengthen neighborhoods, schools and the local economy ... under one roof.

WHAT TO KNOW & HOW TO PREPARE

- No construction experience necessary! Our House Leaders will ensure a variety of tasks are available for all individuals with a wide variety of skill levels and physical abilities.
- Wear comfortable clothes that can get dirty and dress for the weather. We do not guarantee heat/air condition at any of our work sites
- Wear closed-toed shoes or work boots (no open-toed shoes)
- Remove jewelry and pull back loose hair
- We have disposable water bottles on site, but do not offer food. Plan to go out or bring lunch (we'll break for an hour at noon, but do not provide food)
 - Port-a-jons will be available
 - Tools & equipment will be provided. You are welcome to bring your own, but you are responsible for them, and they are subject to our House Leader's safety check
- **Safety is our highest priority! Keeping a safe worksite is everyone's responsibility.** All PPE will be provided, but you can bring your own (eye protection, work gloves, mask, etc)
- **Projects:** Expected tasks will be emailed to you the week of your build day. Please dress accordingly
- **Age Restrictions:** Due to safety regulations, individuals under the age of 16 are not permitted on our active sites. Those ages 16 - 17 must have a waiver completed by a parent/guardian and be accompanied by an adult while on site
